SECOND EMPIRE

HAS COME INTO BEING, SAYS A LONDON PAPER.

The London Chronicle, commenting upon the U. S. Supreme Court's decision in the Porto Rican cases, says:

"A second empire has been born from Anglo-Saxon stock. Henceforth there will be American subjects as well as American Citizens. To many minds the new departure will seem a decent from the lofty American ideals. On a broader view we see an expansion of a well ordered government, and the extension, in due time of reasonable liberty. The sovereignty conferred by the Supreme court's judgment, although technically irresponsible, is a moral responsibility of the kind Mr. Gladstone recognized when he spoke of the British Empire as a trust and function given by providence. It is such a spirit we may be sure the United States will administer its empire."

BUCHANAN'S OLD STAND.

The Alumni Reception.

The closing of the Hickman College entertainments was given by the Alumni Association, at the residence of Mrs. Alice Amberg, on Monday evening last, and was one of the most enjoyable receptions ever tendered the friends of this Institution.

The Association was well represented, and with its fifty or more invited guests, furnished a pleasant and congenial company.

As a result of excellent taste, on the part of those who arranged the decorations were profuse and lovely—predominating in the dining room where the distribution of potted plants, vases of flowers, and articles of artistic needle work, occupied every available place creating a scene most pleasing to the eye. The "College Colors" of blue and gold, prevailed everywhere, even finding its way into the cream, which with other delicacies, was served during the course of the evening. Dainty and becoming costumes adorned the "fair ones," while the gentlemen were immaculate in tasty attire. Surpassing in loveliness this art of human mind and hand, was that of the Infinite One, whose inimitable power showed itself in the bright, intelligent and beautiful faces that graced the occasion, making glad the hearts of the older ones present by recalling to mind tender memories of their youth, when, they too, fresh from the school room, with only the brightest of prospects before them, felt ready to brave the battle of life.

The principal feature of the evening was the "Flower Contest"—nine successful ones drew for the prize, which was won by Miss Ramage, one of the College instructors. Enlivened by sweet music from a band, seated on the veranda, the hours passed all too quickly, and the moment came when with an expression of thanks to the Hostess, each bade the other good-night, expressing the hope mentally if not verbally, that they might meet again in the future.

Among the guests were, Mrs. McClain, Gleason, Tenn.; Mrs. Mollie Prather, Newburn; Mrs. Bryant Cox, St. Louis, Mo.; Mesdames Luten and Pelham, of Fulton; Misses Clark, near New Orleans, La.; Miss Coleman, Adairville, Ky.; Miss Sellars, Fulton, Ky.

H. C. Pearson, the contractor, reports the Slough bridge on the Clinton and Hickman road, completed.

R. B. Platt, candidate for the Legislature, is announced to open his canvass, at Fulton, Saturday the 8th.

Sergeant Will Randle, of the 46th U. S. Inf., which regiment was mustered out in San Francisco, last week, arrived in Hickman, yesterday, from the Philippines. Mr. Geo. Millet, Ed Knoer, and perhaps other Hickman boys, are expected back to day.

Prof. R. W. Buck is again in trouble in Memphis for practicing "Divine Healing," for attempting to cure one afflicted with consumption, by this method. He thinks his prosecution is persecution. The case is now being tried.

The Crystal Home Talent Club will play the well known drama, Ten Nights in a Bar-room, at Mt. Manuel Church, Saturday night, June 8, for the benefit of the Methodist parsonage. First class talent, good music, good order, everything in first class style. Admission 25c. Children under 12, 15c.

T. J. LOWERY, P. C.

Noel Hall, the Fulton man, who was fined \$125 at the recent term of the Fulton circuit court, for running a house of ill repute, has written a letter to a friend in which he expresses his glee at beating the commonwealth, not only out of the fine, but at the same time out of a lot of freeboard at the county jail. For such chaps the hard labor provision of the statutes ought to be given a thorough test. —Clinton Democrat.
